Advisory to Parents

Dear Parent/Guardian:

As part of Mercy's pest management program, pesticides are occasionally applied when bait, non-toxic gels or other non pesticide agents are not effective or when emergencies related to stinging insects occur. You have the right to be informed of any pesticide application made to school grounds or buildings. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you need prior notification, please complete the information below and submit it to the school office.
