

2009-2010

Mercy Cafe is cashless!

That's right! All students will have the option of using their Mercy student ID card as a pre-paid debit account in the Mercy Café!

Follow these easy steps and you will be on your way to smooth and quick check outs.

Step One

Bring a check or money order to the Mercy Cafe registers during the appropriate card loading time.

The Mercy Cafe staff will load the dollar amount to the student ID card and provide a receipt for the transaction

Step Two

Use the loaded student ID card like cash for purchases in the Mercy Cafe.

Please be aware of the balance on your card at all times. The balance will display on the register after each purchase for your convenience.

Step Three

When the balance on your card begins to get low, repeat step one to reload your card.

Don't be caught short! If the balance on your card is not sufficient, your purchase will not be completed. There will be no "charging".

When Can I Start Using This Program?

You can begin using this new program the first day of the 2009-2010 school year if you have your Mercy student ID card. If you do not have a Mercy student ID card (all new students), you will need to wait until you receive your current ID card. The café will continue to accept cash at all times.

The following incentives will be available to those who load their card by October 16th, 2009.

- For every \$200 loaded during this time, you will receive an extra \$20 on your card.
- For each additional \$100 loaded in addition to the original \$200, you will receive an extra \$10

****These amounts must be loaded in one transaction to receive the incentive amounts***
