If you need contact information on any of the above sites please see Mrs. Dennis for more information. I am available Monday – Friday 7:45-11am in Pastoral team and 11:30-3:00pm in E-35.

Many of our young women have also volunteered at their local churches, civic organizations and done summer mission trips and summer camps.

The primary focus of this program is directed especially to contributing to the good of the community. Some activities are NOT acceptable for MCAP credit. *Please check with Mrs. Dennis if you are not sure.*
