

The **Mercy** *Difference*

History

In 1945, Our Lady of Mercy High School opened its doors at the corner of Southfield and Outer Drive in Detroit. The Sisters of Mercy established the school to offer young women the opportunity to receive a value-centered education in an environment of academic excellence. As enrollment grew, Mercy relocated to its present 25-acre campus in Farmington Hills in 1965.

Mercy is part of the Mercy Education System of the Americas. MESA is rooted in the Gospel, through the Catholic faith and the Mercy charism. Inspired by Catherine McAuley, MESA nurtures highly competent and deeply compassionate leaders ready to serve a vulnerable world. Today, Mercy boasts over 15,000 alumnae making a difference.

A Comfortable Cup of Tea

Venerable Catherine McAuley, the Founder of the Sisters of Mercy, was known for her compassion at the House of Mercy on Baggot Street in Ireland. A comfortable cup of tea became a symbol to represent Catherine's warmth.

Mercy High School continues the tradition of serving a comfortable cup of tea. Every spring, our Valedictorian and Salutatorian candidates gather for a congratulatory tea in our Baggot Street conference room and our Mercy Alumnae host Tea for Tuition to benefit our Tuition Assistance Program.

Mercy is a family. Visitors often remark on the welcoming environment at Mercy High School, a tribute to honor Catherine's emphasis on caring relationships, hospitality, and sisterhood.

"Our charity is to be cordial. Now cordial signifies something that renews, invigorates and warms. Such should be the effect of our love for each other."

~ Catherine McAuley, Cork Manuscript

Catholic Faith

As a Catholic school, faith formation is an important part of a student's development while at Mercy.

The four-year curriculum in Religious Studies provides a solid Catholic foundation with an emphasis upon morality, theology, and scripture.

Beyond the classroom, Mercy offers students many opportunities to deepen their faith. The mission of the Campus Ministry Department is to strengthen the spirituality of the student body through the planning and promotion of Eucharistic Liturgies, retreats, prayer services, service projects, and special traditional Mercy celebrations.

Community Service

In the spirit of Catherine McAuley, a Mercy education nurtures growth of the whole person, spiritually, intellectually, morally, physically, and culturally. Students at Mercy participate in community service - a hallmark of Mercy values.

The Mercy Community Action Program encourages a commitment to volunteer service by using the greater community as a classroom. 40 hours of community service completed over 4 years is a graduation requirement, but most girls go far beyond the commitment to share their time and talents with those in need.

SUSCIPE

My God, I am yours for time and eternity.
Teach me to cast myself entirely
into the arms of your loving Providence
with a lively, unlimited confidence in your
compassionate, tender pity.
Grant, O most merciful Redeemer,
That whatever you ordain or permit
may be acceptable to me.
Take from my heart all painful anxiety;
let nothing sadden me but sin,
nothing delight me but the hope of coming
to the possession of You
my God and my all,
in your everlasting kingdom.

Curriculum

Our engaging curriculum allows each student to explore their spiritual and academic interests, while preparing them for life beyond the halls of Mercy.

Freshwomen can expect to take classes in Theology, World History, Mathematics, American Literature, World Language, Biology, Speech and Technology.

Through their remaining years, students have a variety of elective course offerings available to provide them with a well-rounded college preparatory education.

Student Support

Guidance counselors help students navigate issues in their academic, personal, and emotional areas of life. Counselors are also instrumental in the pre-college testing and college application process. Mercy provides each student academic support in the form of tutoring and mentoring. The Academic and Mentoring Educational Support program (AMES) offers support for students with learning differences to ensure all students have the opportunity to be successful.

Mercy Life

A Mercy education balances academics, interests outside the classroom, spirituality, and community service.

Mercy offers many opportunities for involvement and participation with over 50 activities, clubs, community service projects, spiritual exploration, and athletics.

The common thread among staff, students, and parents is a commitment to academic excellence, cultural diversity, and integration of Mercy Values into daily life.

Tuition Assistance

In keeping with our school mission, Mercy is proud to award approximately \$500,000 in financial aid annually. A Mercy education may be more affordable than you think!

The Mercy High School Financial Aid program consists of Tuition Assistance and Named Scholarships. Financial aid is awarded annually by the Mercy High School Financial Aid Committee on the basis of financial need as determined by FACTS Management Grant & Aid Assessment and/or special requirements of the named scholarships. The total amount of financial aid distributed each year is based upon the availability of funds and the number of qualified applicants.

Quick Facts

- The school day is 8:00 a.m. - 2:37 p.m.
- Student to teacher ratio 15:1
- Enrollment in each grade averages 170
- Students can take up to seven classes a semester
- Daily Adviser Group
- College prep schedule to promote time management and collaboration

Getting to School

Each morning, students from over 70 Detroit Metropolitan communities commute to Mercy. Bus service is available in some areas; carpooling is the most popular way to get to school. The Mercy building is open before and after school hours to accommodate early arrival and late departure needs.

Technology

At Mercy, we use technology with the intent to lead, inspire, create and communicate. Students powerfully take ownership of their learning through innovative tools that enable collaboration with teachers, peers and other community members. This seamless infusion of technology embodies best educational practices and contributes to the academic success of our students.

- All teachers are Apple Teacher certified and are equipped with an iPad and a MacBook. Apple TVs are deployed to all classrooms to facilitate screen sharing and view instructional video content.
- Our teachers use Apple Classroom for classroom management and collaboration.
- All students utilize an iPad with powerful Apps including iMovie, Keynote, Pages, Notability and more.
- Instructional resources, paperless grading and collaborative editing tools are available through our Learning Management System (LMS) called Schoology.
- Real time grades and attendance information is available to our families through our Student Management System (SMS) called PowerSchool.
- Our students and staff have access to a wide variety of robust software tools such as Apple (Pages, Keynote, FinalCut), G-Suite (Google Docs, Slides, etc), Microsoft Office 365 and the Adobe Creative Cloud suite.
- Freshwomen take the iExplore course where they learn multimedia skills with a focus on STEM. Other advanced technology courses offered include: Photography, Film & Animation, Video Production, Digital Graphics, Introduction to Engineering, and Computer Science.
- Students have the opportunity to be technology teachers and program innovators through the iPad student tech team called the iWizards and the Riveters FIRST Robotics Team.
- On campus amenities include three computer labs (Mac and Windows), Digital MakerSpace Room, 3-D Printers, Collaborative Corner.
- Our I.T. Department and Support Staff are on site and available every school day.
- Hybrid and Remote Learning Model technologies including the use of Swivl Classroom, Zoom Pro, interactive online streaming tools and innovative curriculum applications to continue learning at-home when needed without schedule disruption.

Campus Ministry

Campus Ministry offers a four-year retreat program. Each year is different, providing unique experiences so that after four years the student will have a better understanding of herself, her relationships with others, and most importantly, her relationship with God. Freshwomen, Sophomores and Juniors have on-campus retreats, while Seniors are off-site at the Colombiere Retreat Center for Kairos.

Link Crew

Created by the Boomerang Project, Link Crew is an international, research-based high school transition program that welcomes new students and helps them feel comfortable throughout the first year of high school.

Built on the belief that students can help other students succeed, all 9th grade students are assigned to a crew of seven to ten Freshwomen and two Link Leaders.

Link Leaders are Juniors and Seniors trained in leadership and the Link Crew philosophy. The Link Leaders are positive role models who guide 9th graders toward discovering what it takes to be successful at Mercy High School.

They plan and facilitate a Freshwoman Welcome Day, hold monthly meet-ups, social events, academic activities and a diversity retreat during the school year.

Campus Ministry

Mercy Spirit of Service to Others

The service program of Mercy High School encourages Christian service to the school and greater community. We believe the Gospel and Mercy Values of Human Dignity, Mercy, Justice, Service and Option for the Poor are at the heart of everything we do. Our volunteer program promotes the school's philosophy of learning to care, serve and be the hands of God.

Campus

Mercy's 25-acre campus is located in Farmington Hills, Michigan on the corner of Middlebelt and 11 Mile Roads.

The facility is approximately 20 miles northwest of Detroit, providing easy access to the abundant cultural and educational centers of the metropolitan area.
