## *Passport to France: A French Immersion Day*

Bonjour mon amie!

Thank you for your visit to Mercy High School during our last open house or as a shadow! At the time of your tour, you expressed an interest to receive more information about our upcoming Immersion Day. This is a wonderful opportunity to take a virtual tour of French language and culture. The journey begins **February 5, 2022 at 9:00 a.m. until 1:30 p.m.** Save the date and RSVP by February 1 as space and passports are limited.

A registration form is included for your convenience. Here is a sneak peak of our activities during the "Passport to France Immersion Day." You will be paired up with an amie française, a current student in either French 1 or French II. This is your 'French friend' for the morning and will be your guide through the conversation, music, fashion, cooking and touring portions of the program! In our conversation segment, you will learn some basic and fun French. Furthermore, you will create your own Paris Fashion Week and experience an authentic French cooking demonstration. In addition, you will learn, listen and dance to the best variety of French music. Every segment is filled with surprises! Your passport includes French food tastings between sessions and a French lunch at the end of your travels!

We look forward to seeing you!
