THE FRANK MINOLLI SCIENCE, TECHNOLOGY, ENGINEERING AND MATH SCHOLARSHIP

Provided by The Frank Minolli Foundation

Student Name: _____

Parents/Guardians: _____

Street Address: _____

The purpose of the scholarship shall be to provide scholarship assistance to one or more high school seniors who have demonstrated interest in Science, Technology, Engineering and Math (STEM), good citizenship, good academic achievement (GPA of 3.5+), and an involvement in community service outside of school. The student must also demonstrate a desire to pursue studies in STEM courses/careers, and to some extent, financial need.

Note: This form is to be accompanied by a transcript of grades from the high school, along with a letter of recommendation from a teacher/official from the Math/Science Department.

The Frank Minolli Foundation was founded by his four daughters as a tribute to his life and his passion for engineering, his belief in the importance of science and technology, and higher education. The Frank Minolli Foundation is dedicated to empowering young women by providing support for their continued education in Science, Technology, Engineering and Math (STEM).

The Frank Minolli Foundation is supported by publicly supported foundation and tax exempt under section 501(c)(3) of the U.S. Internal Revenue Code.

Completed applications are to be submitted to the following email address no later than 6 pm on May 4th, 2023.
