

Mercy Marlins Annual Fund

Annual Fund gifts directly benefit Mercy girls by funding academic programs, spiritual retreats, dedicated faculty, financial aid, and the vital day-to-day operations that sustain our school. These flexible funds help us meet the immediate needs of all students, from 9th grade welcome day to graduation.

Unlike tax-funded public schools and private parish schools that benefit from church funding, Mercy thrives on the generosity of our community. As tuition only covers a portion of the cost of a Mercy education, we rely on the unwavering financial support of alumnae, parents, past parents, faculty, staff, and friends. Your contributions sustain and advance our mission and we are deeply grateful.

Thank you for investing in Mercy!
