## Diversity, Equity & Inclusion

### *Mercy introduces new position to create a more equitable learning environment*

September 2020 NEWSPRINT Story: Maddie Sullivan '21; Photo and Graphics: Clare Jones '21

Mrs. Traci Smith strolled through the halls carefully studying the nuances of her new surroundings on her first day working at Mercy. She was met with some friendly "hellos" as she sauntered down the freshly waxed floors to her makeshift office. The office needed some serious TLC, but Mrs. Smith knew she was where she needed to be.

Over the summer, Mrs. Smith was hired as Mercy's first Director of Diversity, Equity, and Inclusion (DEI). This new position was created to specifically address one of Mercy's critical concerns: equitable treatment for all Mercy students. Smith's role aims to highly encourage Mercy to build upon its multicultural community. "My hope is that everyone feels welcome here," said Mrs. Smith.

After earning a Bachelor of Arts in Secondary English Education and Organizational Studies from the University of Michigan, Smith completed her graduate degree from Harvard University in Urban Education and policy. Subsequently, Mrs. Smith pursued a career as an educator and has been teaching for over 16 years. She most recently taught English at De La Salle High School and Detroit's University Prep High School.

"I want to make sure that students feel like they have a voice and not feel like they have to shy away from [speaking up]," said Mrs. Smith. Although Mrs. Smith is not assisting students in a conventional classroom, she wants to be an educator and administrative resource about best practices regarding equity and inclusion for all

Mercy students. While this is Mrs. Smith's first time officially holding an administrative position, she has contributed to facilitating inclusion and diversity at her previous school environments. For example, Smith worked with the school's administration to ensure that marginalized and minorities students are fairly represented in the school's advanced programs such as Honors classes and Advanced Placement (AP) courses.

Furthermore, Smith has encouraged minority students to apply for academic honor programs such as the National Honor Society (NHS) and Language Honor Societies.

"I felt called to this position because I have been a student at predominantly white institutions and I know how it feels to be the only person of color in a room" said Mrs. Smith. "I've experienced feeling like an outsider, I've experienced microaggressions, I've experienced outright discrimination, yet despite all that I was able to thrive, so I want to help students of color and students who are marginalized in any way thrive."

Mrs. Smith is excited about her new position and has already begun working with groups such as Mercy's Council On Racial Equity (CORE), the Mercy Board of Trustees Racial Equity Task Force, the Human Relations Council (HRC) and Mercy's Link Crew.

Not only will Smith be working with the Mercy students and the school administration, but will also be engaging with parents to ensure she has feedback from a variety of perspectives that accommodate the needs of the Mercy community.

"I think Mercy does an excellent job at many things, [especially being] inclusive and welcoming," said Mrs. Leigh Coleman, CORE member and Mercy parent. "[However], I think to make Mercy more just, we have to look at ourselves and make some changes."

Mrs. Smith's focus for this year is modifying the school curriculum and implementing additional training for the teaching and staff about how to best address controversial situations that could possibly occur within a school environment. Some topics that Mrs. Smith wants to address in particular are microaggressions, racism, trauma and grief, empathy, and the internalized oppression of women.

One of Mrs. Smith's first initiatives as the Director of DEI is to create a book study for the staff. The book study will consist of reading and analyzing literature about racial issues through enlightening literature such as *So You Want to Talk About Race* by Ijeoma Oluo.

## DEI Update at Mercy High School 2020-2021 School Year

- Community building engagement for virtual/in person events

### How Can I Participate?

We invite you to make a gift or pledge (1 year) of \$250 or more to become a part of the inaugural Mercy High School Giving Circle.

### How Will Members Be Involved?

The Giving Circle will meet in the Spring of 2021 to provide an update to all members on the amount of funds raised, the number of donors, and how the funds were distributed. As the Giving Circle grows beyond the first year, members can voice areas of interest to devote focus and funds.

## Mercy High School Statement Against Racism

Mercy High School supports the Critical Concerns of the Sisters of Mercy, including our belief that racism is an evil affecting us all. We work to recognize and dismantle racism in order to become an anti-racist multicultural community. Mercy High School is committed to establishing and sustaining an equitable, fair, and just community that ensures student wellness, safety, and educational success regardless of their race, ethnicity, or zip code. Mercy High School rejects all forms of racism as destructive to their mission, vision, values, and goals. Racism will not be tolerated in the school campus, physical and online communities. Alleged violations of this policy will be investigated with due care and, if confirmed, may be met with serious consequences. Through the conduct of school staff and administrators, school policies, curriculum, extra-curricular activities, student support services, and parent/guardian involvement organizations, Mercy will cultivate a greater understanding of the concepts of diversity, inclusion, intersectionality, equity, implicit bias, xenophobia, white privilege, white supremacy, systemic racism, and anti-racism.

## One Love Foundation Certifies Mercy as Champion School *Accreditation Awarded for Work Promoting Healthy Relationships*

The One Love Foundation certified Mercy High School as a Champion School for the 2020-2021 academic year, in recognition of our commitment to relationship health education through a combination of educated, student leadership, and ongoing awareness-building activities.

The Champion School Certification is an accreditation awarded to schools throughout the country who promote a culture of healthy relationships. "One Love is on a mission to educate all young people about healthy and unhealthy relationships, empower them to identify and avoid abuse and learn how to love better," said Chief Program Officer Megan Shackleton. "During these challenging times, we are especially grateful to Mercy for continuing to invest in relationship health education."

One Love is a non-profit organization and national leader providing relationship health education to students across the country. Through compelling workshops and peer-to-peer discussions, One Love resources help to open

young people's eyes to healthy versus unhealthy behaviors and offer a framework everyone can use to discuss these behaviors.

Mercy HS participated in One Love's educational workshops, reaching students with critical information about how to identify the warning signs of abuse, how to help a friend in an unhealthy situation, and how to practice healthy relationship behaviors.

Students also participated in an information tabling event and hosted a basketball game dedicated to domestic violence. One Love resources were incorporated into the health and contemporary issues curriculum. "We continue to work toward maintaining this certification as well as striving to gain the Hero School recognition. By adding a One Love club this year and designating leaders as One Love ambassadors, we are one step closer to this goal," Cindy Richter, Social Studies Teacher & Student Activities Coordinator. ### In Loving Memory of Jay Wesch

Our beloved Mercy Maintenance Supervisor, Mr. Jay Wesch passed away after a brief illness in August. Mr. Wesch devoted 27 1/2 years to Mercy High School, and was a strong supporter of our Mercy family. Each morning our school was welcoming, safe and clean because of Jay's MANY efforts. He was also an accomplished drummer, and many times joined in to help with Mercy performances! We know students and staff greeted Mr. Wesch each day, and his smile and care for us will be greatly missed.

*"Even after I retired, I would often stop in to school and see Jay still pushing his broom with a big smile.....to me he was "Mr. Mercy." ~ George Wright*

*"There will never be another like you! You were the true definition of resilience and strength. Your work effort was uncompromising. I'm going to miss your big laughs." ~ Alisa Kelly*

*"Working with him more closely in operations gave me a couple of special insights. He was very devoted to his wife, Hope. Also, Jay was a very talented drummer. He did the rock group thing in his youth but was devoted to jazz in later life, performing until fairly recently. He once traded licks at the school talent show with one of our talented students." ~ Larry Baker*

## 2020 Teacher of the Year Mrs. Colleen Byrn

In May, Mercy High School awarded the 2020 Teacher of the Year to outstanding educator Chemistry Teacher Mrs. Colleen Byrn! These student comments say it all, Mrs. Byrn is a teacher who makes a difference.

- *Her never ending joy and excitement about chemistry makes me want to learn the subject that much more.*
- *I thank God that He guided me in choosing Honors Chemistry because I got to meet a woman who inspires me everyday, never fails to make me laugh, and truly cares for her students in a way that's truly unparalleled.*
- *Mrs. Byrn has truly inspired me inside and outside of the classroom to be the best version of myself. Her genuine care and compassion towards her students creates a family like atmosphere in all of her classes.*

## Aloha, Ms. Mary Harkness '70

In October 2020, Mary Harkness '70 celebrated 50 years of dedication to Mercy High School. Mary has touched the hearts of staff, students, alumnae and all those who walk the halls of Mercy. Her sunshine smile, signature voice saying, "Aloha" and warm laughter have greeted thousands of Mercy Community members at the Reception Area.

*"For many years Mary worked on the switchboard. She was the person who answered the phone and transferred the caller to the correct person at Mercy. You could not make a connection without Mary." ~ Vicky Kowalski, Math Teacher*

Still to this day Mary remains physically vital within the Mercy High School building and her presence extends far beyond our walls. We asked the Mercy Community to help us celebrate Mary. These are some of the special sentiments:

*"As a student, you always had a smile for me and greeted me by name. It was a shock for me when I came back to the school as a legacy mom and you greeted me with a smile and remembered my name! What a gift it was for me to share with my daughter the experience of your welcome, kindness and care. You embody the teaching of the Venerable Catherine McAuley: "Our charity is to be cordial...something that renews, invigorates and warms. Such should be the effect of our love for each other." Thank you for sharing that cordiality and love with our Mercy community for 50+ years!" ~ Marisa Petrella '77*

*"My life isn't the same without the pure joy and happiness Ms. Harkness brings to Mercy especially in my previous everyday encounters with her. I would purposely take the long route to class instead of cutting through the Media Center knowing I would get to see Ms. Harkness' vibrant smile and that my day and mood would instantly be changed for the better. She teaches us how to love and care for one another and especially in these times of division, she is what Mercy needs the most." ~ Grace Kane '19*

*"Ms. Harkness is one of the most kind women around anywhere! She always has a smile and kind words to say! She has seen so many young women walk these halls. Thank you for all you do for the Mercy families." ~ Molly Bosco O'Connor '87*

## The Extraordinary Mr. Baker

*"Mr. Baker set the tone for striving for excellence in his class, and challenged us to do our best."*

~ Colleen McClorey '79

*"Mr. Baker is and always will be a piece of Mercy."*

~ Lily Beasley '20

After nearly 45 years of service to Mercy High School, **Mr. Larry Baker** (Associate Principal of Operations) retired in January 2020. Mr. Baker's legacy to Mercy is phenomenal. He has served as an exemplary English teacher, technology leader, two time State Championship Mercy Varsity Basketball coach, teacher, coach, mentor, and gentle friend to many.

The strength of our educational technology program and repeated recognition as an Apple Distinguished School is an outcome of Larry's expertise and leadership. Mr. Baker has also been instrumental in the development of English curriculum and active based challenge learning. He showcases the success of our dynamic and accomplished Mercy alumnae through the podcast he championed, Accent on Alumnae.

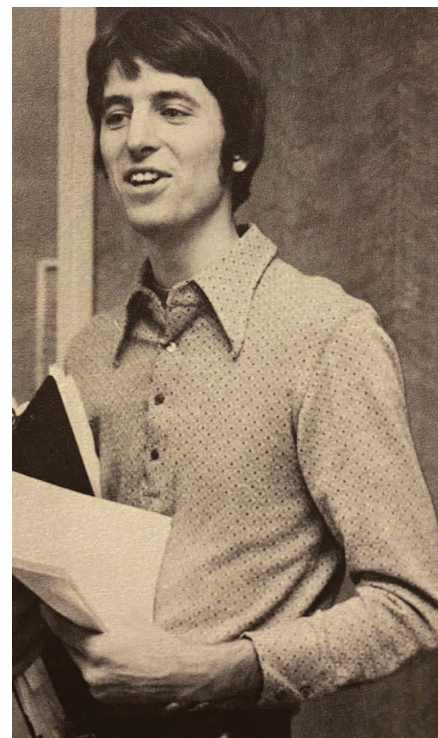

We are enormously grateful to Mr. Baker for his passion and commitment to Mercy High School students, parents, faculty, staff and the administrative team. We wish him a retirement filled with love, laughter and pride in knowing he has truly made a difference to our Mercy family!

*"I am forever grateful for my Mercy English classes and know that the foundation they provided allowed me to succeed in college and grad school. I still have an A paper Mr. Baker graded."*

~ Jennifer Ahern Lammers '90

*"Thank you for making a difference in so many Mercy girls' lives. I'm so glad Anna '20 could experience your Shakespeare class and be a part of the i-Wizards."*

## Law Affinity Event

Mercy graduates **Diane D'Agostini '80**, **Julie McDonald '87**, **Kathleen Ryan '87** and **Victoria Valentine '89** all share a common bond beyond their Mercy education. All four women are sitting judges in **Oakland County**.

Last fall, they participated as panelists during a **Law Affinity Event**. Guests included Mercy alumna and 36th District Court Judge **Roberta Orr Archer '88**, dozens of alumnae working in the law field and student members of the Mock Trial Team who are interested in studying law in college.

The evening provided networking opportunities and featured the esteemed panelists sharing stories of their rise to the bench and the obstacles and opportunities they encountered in their careers. Each panelist was asked to reflect on their Mercy education and share their experiences with the group.

*My Mercy education provided rigorous academic challenges, leadership opportunities, and authentic friendships. With this foundation, I became determined to try and make a difference in the lives of others. Mercy helped me realize the value of service and the potential for impact. Mercy is not a four year education, it's a lifelong way of working toward positive change. I am forever grateful to Mercy.*  
- Victoria A. Valentine '89

*Each day, I use the many lessons and values I gained at Mercy to work toward being a woman who makes a difference.*  
- Diane D'Agostini '80

**Special thanks to sponsor McLaren Oakland Hospital and Mercy Parent Liz Luckenbach for their generosity in making this event possible!**

## Special Edition: Tea for Tuition

During a meeting in March, the Alumnae Board made the decision to create the first-ever virtual Tea for Tuition.

Knowing that students depend on scholarship funds each year, it was important to the Alumnae Board to maintain their commitment to the Tuition Assistance Program, even in the midst of a pandemic.

The live viewing event on YouTube and Facebook took place on April 26, 2020. The video featured current Mercy students and alumnae. Each shared their Mercy story and highlighted how receiving scholarship funds to attend Mercy has shaped their lives.

Thanks to many generous alumnae, and a challenge donation from the Wheeler Family Foundation, Inc., the Special Edition Tea for Tuition raised \$45,000!

## MERCY ALUMNA-STUDENT MENTORSHIP PROGRAM

The Mercy Alumnae network is inclusive of dynamic women with a wide range of talents and experiences.

If you are interested in meeting current Mercy students, we are looking for alumnae interested in being a guest speaker in a classroom or joining the Mercy Alumna-Student Mentorship Program.

Please fill out the Student Connection Form on the Mercy website at [mhsmi.org/alumnae](https://mhsmi.org/alumnae) to indicate your interest. We look forward to enhancing the Mercy student-alumnae connection!

## 2020 Distinguished Alumnae Recipient, Anne Wynsberge Nemes '68

Anne Wynsberge Nemes '68 (far right) pictured with her daughter Nadine Nemes Langley '92 and granddaughter Mattie Langley '23

I am very honored and surprised to be given the honor of the 2020 Mercy High School Distinguished Alumna Award. When contacted by Dr. Cheryl Delaney Kreger '66, I was in my car with a few of my sister-in-laws (one an alumna and one a daughter of an alumna) who started cheering and screaming so much that I began to think that this was a joke. So the next day I contacted Cheryl to ask if it was a joke stating that I was really just a normal person who had done nothing special. She assured me that I was the one Alumnae Board picked. I started thinking why would I be picked above the 16,000+ alumnae?

I eventually realized it was after all 2020, nothing can surprise us this year! I eventually realized that what the alumnae board was honoring was not the position one has in this life but how one lives their "normal" life. This I believe we learned during our 4 years at Mercy and from our families. So I would like to accept this award for all the Mercy girls who have lived normal, everyday lives doing the best they could. So many of my friends from Mercy are teachers, nurses, social workers and mothers. They have all made this world special to those they have helped. To quote The Venerable Catherine McCauley, *"We must strive to do ordinary things extraordinary well."*

Reading the nomination that my husband and daughter Nadine '92 wrote makes me sound like someone special, but actually I feel that because of the examples I had in my life. From those close to me and my years at Mercy, I realize that doing what I have done took no effort. I guess you could say it was ingrained in me.

The values I learned at Mercy were to do the best you can and always be open to the needs of those around you. Actually, I believe the life I have lived has been a very selfish one because I have gotten a lot more from the people I have helped than I have given them.

Though we were only at Our Lady of Mercy High School for 4 years, they were very formative years. The atmosphere at Mercy allowed us to express ourselves in a safe environment. We were encouraged to strive to fulfill our dreams. The class of 1968 I believe is a very special group of women. Whenever I attend a reunion it's like we were in school just yesterday. Because of my experience at Mercy, I was very happy when my daughter Nadine and my granddaughter Mattie Langley '23 decided to attend Mercy as well.

I want to thank everyone who has inspired and supported me. My parents who sacrificed to send me to Mercy; my husband of 50 years, Dan who has supported me every step of the way and made life fun; my children who are a great source of love and pride; my grandkids who make my life complete; the teachers at Mercy who gave me knowledge and support and my co-workers throughout my career.

Thank you,

Anne Wynsberge Nemes '68

## Council on Racial Equity

### Mission

The Council's mission is to build awareness, solutions and leadership for anti-racist, anti-biased structures, policies and practices at Mercy High School. We will work with the school and the Diversity, Equity and Inclusion Officer to identify systemic racism within the community, analyze the specific barriers to change, and dismantle the structures within the institution that perpetuate racism.

We appreciate the dedication of the volunteer CORE Founder, Sommer Woods '95. CORE will soon receive applications for Subcommittee volunteers in these eleven (11) focus areas:

## REIMAGINED SPACES

Photography credit: Kristina Sikora

*We are grateful for the support of many donors who made these renovations possible.*

### M Zone in Memory of Sister Regina Marie Doelker

The lower level was reimagined from an underutilized locker room to an Athletic Training facility. The **M Zone in Memory of Sister Regina Marie Doelker '56**, opened in February 2019. Featuring Mondo track flooring, turf, and a golf simulator, the space allows for all teams to take part in conditioning and agility activities.

## Marlin Shop and Catherine McAuley Tea Parlor

The former bookstore space was renovated to allow for two new spaces for students and Marlin fans to enjoy. **The Marlin Shop** offers spirit wear to show Marlin pride. Adjacent to the Marlin Shop is the new **Catherine McAuley Tea Parlor**. A space for students to enjoy a comfortable cup of tea.

## Classroom Furniture

Collaborative learning is supported with the new mobile furniture, in six classrooms throughout the school.

## 1970s Class Challenge

To celebrate 75 years of Mercy, alumnae in the decade of the 1970s are participating in a Class Challenge! History tells us that when Mercy girls work together, amazing results are achieved. All funds raised through the 1970s Class Challenge will support building improvements.

Windows were replaced in south hall classrooms in the summer of 2020. Adding energy efficient air conditioning in those classrooms will provide a comfortable learning environment for teachers and students. This facility improvement also ensures Mercy's stable future in a competitive education market.

### Special thanks to our Class Challenge Representatives:

## Name a Space at Mercy

As we work toward building a sustainable future we offer the opportunity to name a space at Mercy. When you name a classroom, a study space or a gathering area you set it apart as something special. ***Something more than walls and chairs, you give it meaning and leave a legacy.***

Virginia Minolli '82 paid tribute to her mother, Anna Minolli, on the plaque outside N8, the classroom she named in Anna's honor.

*"A strong and courageous woman. A loving and giving daughter, wife and mother. A youthful, encouraging and kind soul with a humorous wit. Your soothing nature comforted those in times of trouble, your culinary skills nurtured friends and family, your love of laughter and adventure brightened everyone's lives, and your grace, humility, faith and devotion were inspirational. Thank you for reminding us that to be inspired is great, but to be an inspiration is an honor."*

Your gift in honor or in memory of a special person provides crucial support for campus improvements. These renovations help to shape an ideal learning atmosphere for students and continue the tradition of educating young women. Naming opportunities begin at the \$15,000 level with a one-time donation or a 3 year pledge. Recognition on a specific area is non-exclusive; up to four donors may have recognition on a single space.

For more information about naming a space at Mercy, please contact our Advancement Office at 248-893-3538 or email [advancement@mhsmi.org](mailto:advancement@mhsmi.org).

Virginia Minolli '82 holds a picture of her mother, Anna. Virginia named N8 in honor of Anna.

By making a donation to the Mercy Annual Fund, you are helping to ensure a Mercy education to young women for years to come.
