LETTER FROM
MERCY'S PRESIDENT

Dear Friends of Mercy,

Over the years, you, our cherished community of alumnae, parents and friends, have changed the lives of many young Mercy girls. In turn, these women are now changing the world each day as mothers, professionals and persons of faith because of their Mercy education. Your legacy and the legacy of Mercy continues as we see more and more families with three generations of Mercy!

In this issue of Mosaic, you'll find the 2015-16 Annual Report which lists our honor roll of dedicated donors. As Mercy's President and a 1966 alumna, I want to extend my sincere gratitude for your generosity. Your gift helps us in our mission. As you may know, tuition assistance allows us to support students whose families cannot pay the complete expense of tuition. Additionally, the cost of a Mercy education is a major financial commitment for all parents, and even when parents pay in full, it is still necessary to subsidize with fundraising. I thank you on behalf of everyone here – our students, teachers, and staff.

Mercy is proud to be the largest all-female Catholic high school in Michigan with over 720 students. This allows us to offer excellent academics, robust extracurricular programs and spiritual retreats. Our recent Class of 2016 graduates accomplished some amazing feats:

- \$23 million in college scholarships
- 27,000+ hours of community service
- 3 National Scholastic Art Finalists
- 11 college bound athletes

Our Robotics Team competed at the World Competition; Ice Hockey and Softball captured State Championships; and 16 students committed to be Youth Mercy Associates. The world needs Mercy graduates today more than ever; we are building compassionate, well-spoken and confident future leaders.

May God bless you in this 2016 Jubilee Year of Mercy for your commitment to Mercy High School and making a Mercy education a reality for so many young women.

In Mercy,

Cheryl Delaney Kreger, Ed.D. '66
President

MERCY is Family!

On October 12, 2016, the Alumnae Board hosted the annual Legacy Dinner to honor the tradition of a Mercy education. We welcomed 50 Mercy students, along with their alumna-mothers, to this special dinner. We were additionally blessed to have six alumna-grandmothers join us.

Guest speakers Kathy McGarry Chezick '81 and daughter Rochelle Chezick '17 talked about their respective Mercy experiences - the differences, the similarities, and the Mercy pride that has endured through the years. Missy Swiacki Ewald '85 and daughter Morgan Ewald '17 led the sentimental pinning ceremony, and Stephanie Acho Tartoni '90 and daughter Annie Acho Tartoni '18 were the lucky winners of the \$1,000 tuition drawing.

"I'm forever grateful to Mercy and the staff for making me into the person I am today. Obana means family and family means no one gets left behind. Mercy is Obana. Mercy is a one-of-a-kind school, and everyone has a place here."

"My 60-year journey as a Sister of Mercy has truly been a wonderful adventure. I have lived my ring motto, "Serve the Lord with Gladness." Our foundress, Catherine McAuley, has modeled for me a desire to teach young women and to be an advocate for the poor. Community life has strengthened my faith, my love for prayer, and my love for my sisters. My heart is filled with gladness for this opportunity to celebrate this awesome occasion."

CONGRATULATIONS, DR. KLINE-KATOR!

Hats off to Religious Studies Chair **Alison Kline-Kator '97** who received her doctorate in education (EdD) from University of Michigan-Dearborn, with a focus on Educational Leadership. She defended her dissertation "Mercy Charism and Professional Development" in June 2016 and will be hooded at commencement ceremonies in December.

Reunion Weekend

SEPTEMBER 22-26, 2016

Honoring classes ending in a "1" or a "6"

From Thursday's bonfire to Saturday's luncheon to Monday's golf outing, thank you to all who attended Reunion Weekend. It was a wonderful opportunity to chat with classmates and friends, share memories and reconnect with Mercy.

The Class of 1966 celebrated their 50-year reunion in a big way, extending their time together with dinner at Mercy on Saturday and brunch at the home of Janice Calligaris-Sur '66 on Sunday. Mercy's President Cheryl Delaney Kreger, EdD '66 was grateful to have spent time with her classmates. She remarked, *"The reunion weekend was a fabulous walk down memory lane and a great way to reconnect with classmates. The overwhelming feeling was one of 'welcoming.' Whether or not we knew each other well in school, we all felt a common bond. We had so much fun reminiscing and learning about the various paths of life we have taken."*

Save the date for next year's Reunion Weekend—September 21-25, 2017. We are seeking class representatives from milestone years. Representatives serve as liaisons between classmates and the school for event questions and alumnae address/email updates. They encourage participation and help make the weekend meaningful for their class. Multiple reps are needed for each class.

HATS OFF TO THE CLASS OF 1981!

The Class of 1981 celebrated their 35-year reunion at Mercy, at Champps, and at the home of Colleen McMaster Rozman '81, Associate Principal, Academic Affairs. The celebration just kept going!

"This truly was a great day for reminiscing and appreciating our school, even more so than we did as students. I was fortunate to have a mom who wanted to give me a different experience and give me the chances she didn't have. The Mercy Mimes were awesome and the whole experience was fantastic. I will forever be a Mercy Girl!" - Karen Jefferson Ferguson '81

Abundant thanks to Emily Day Gibson for being the long-standing Class of 1981 representative. Emily shares classmate updates and Mercy news, and is key to the bond that exists among this tight-knit class. What a gift to the Mercy community!

"Sistas" for Sisters

The Class of 1981 affectionately refers to themselves as "Mercy Sistas," so it makes perfect sense that they would come together in support of the Religious Sisters of Mercy. As the end of 2016 approaches, the class is making plans to host their second annual Christmas party for the retired Sisters.

Chrissie Moylan Skynar '81 explains, *"After Mercy's 70th Anniversary Celebration, I was telling Tooter Moll '81 how my family would 'bring Christmas' to my great aunts in Monroe, Michigan each year. My great aunts were IHM nuns. Then Tooter said, 'We need to do that for our nuns.' So that is how it began."*

Chrissie posted to the class Facebook page and sent emails to spread the news of the party and the reason behind it—to show the retired Sisters gratitude and respect. The party came complete with a fancy meal and presents. Chrissie says, *"I asked our class to sign up to help, and packages were coming in from all over the country. Many '81 Sistas wanted to come and help out on the day of the soiree....and join in the fun!"*

On Sunday, November 29, 2015, Tammy Forfinski Morris '81 came early to Chrissie's home to pitch in with the cooking. Eleven Sisters of Mercy joined the Class of 1981 for wine and punch, beef tenderloin, sesame ginger chicken, roasted potatoes, mostaccioli, salads, and a chocolate layer cake.

The class gave each Sister a large swag bag filled with gift cards to Target and Kohl's, cozy blankets and socks, Arbonne hand cream, homemade English toffee, full toiletry bag, and tote bag. *"They were so appreciative, and some mentioned no one had ever done anything like this before for them,"* said Chrissie.

Chrissie encourages other alumnae to reach out to the Sisters. *"Take the time to get in touch with them! They would love to hear from you!"* Mercy's Alumnae Office can help connect you with Sisters of Mercy.

Thank you, Class of 1981!

Alumnae, join us in welcoming the Class of 2017 into the Alumnae Association!

President's Award for Transformational Leadership

Mercy is proud to announce Rita Dilworth Lewry '77 and Thomas Lewry as the 2016 recipients of the prestigious **President's Award for Transformational Leadership**. Dr. Cheryl Delaney Kreger, EdD '66 was honored to present them with the award at the President's Reception held Friday, September 23, 2016.

Rita is a 1977 graduate and holds two master's degrees in Education from the University of Michigan. She is a former teacher. Tom is the co-chair of the litigation department with Brooks Kushman in Southfield, holding a law degree from Wayne State and a bachelor's degree from the University of Michigan. Rita and Tom are the proud parents of Casey (2015 Mercy graduate) and Shannon. Rita and Tom have been very involved at Mercy, cheering on Casey during tennis matches and attending school functions such as the Annual Auction, Legacy Dinner and Tea for Tuition. Rita has volunteered her time at Mercy, including the Mercy Make a Difference Day, and has orchestrated special Teacher Appreciation luncheons.

During the award presentation, Dr. Cheryl Kreger shared a passage from the book "Tender Courage." These words about Catherine McAuley, Founder of the Sisters of Mercy, also describe Rita and Tom Lewry and their dedication and service to Mercy.

Great heartedness and practicality are rarely united in one. Greatheartedness involves compassion, gentleness, magnanimity, vision and future orientation. Their practicality involves common sense, directness, objective management of resources and the ability to deal with possibilities.

The Lewrys have been generous philanthropic leaders at Mercy. They currently serve as the co-chairs for our

Then. Now. Forever. Capital Campaign. Their generosity has contributed to many projects including the new Digital Creation Room and Collaborative Corner in the Media Center, which includes a Makerbot Replicator 3D printer, equipment, furniture and technology. Renovation of several courtyards, resurfacing tennis courts and installing new equipment for the Broadcasting room were all made possible thanks to the Lewrys' support.

Thank you, Rita and Tom. We are so very thankful for your greatheartedness and personal investment in Mercy High School!

Crystal Clear Communication

Mercy is renovating an outdated language lab to ensure each student has more opportunities to converse in their world language. The key to proficiency when learning to speak a new language is practice. The lab enables two or more students to simulate conversation; this exercise alone will raise the statistical speaking average of 1 minute per student per class and will allow the teacher to listen in and provide real-time feedback. Help us reach our goal of creating an enhanced interactive experience for all Mercy students!

The new labs will include:

- 25 headsets with world language software
- 25 iMacs
- 25 Monitors
- 25 Logitech keyboard and mouse sets
- New desks, chairs, floor coverings, paint, shades and glass

Donate to this campaign today by visiting mhsmi.org/advancement. Merci, Gracias, xiè xie, and grātiās tibi agō!

Mercy Athletics Program News

Alumnae, parents and donors gathered at Mercy to learn of exciting updates for the Mercy Athletics program, including the new Marlin Plaza and the Nancy Malinowski Endowed Fund for Athletics.

Athletic Director Nancy Malinowski and President Dr. Cheryl Delaney Kreger '66 welcomed the group and provided updates on the 18 athletic programs at Mercy. Special guest Diane Dietz '78, Deputy Commissioner, Public Affairs, Big Ten Conference, spoke about her Mercy experience as an athlete participating in three Mercy sports. Current student-athlete Mary Doman '18 provided her perspective on how Mercy athletics has a positive impact on her Mercy education. Larry Baker, Associate Principal of Operations, updated the group on plans for enhancing the athletic facilities. Julie Tooter Moll '81, Board of Trustees, spoke about her Mercy experience and how support of alumnae, parents and friends is so crucial to the success of these projects.

Marlin Plaza

The new Marlin Plaza and successful athletic programs go hand in hand with dedication to academic excellence. Mercy's strong tradition of competitive athletics provides an opportunity to develop integrity, sportsmanship, cooperative skills and self-discipline. Marlin Plaza will provide added facilities for athletes and enthusiasts alike - concession area, restrooms and convenient parking.

Nancy Malinowski Endowed Fund for Athletics

The athletics landscape is constantly evolving as we strive to provide the best possible experience for our student-athletes. Meanwhile, the cost of salaries, team travel and maintenance expenses are escalating.

The long-term solution to keeping pace with these expenses is an endowment. An endowment fund for Mercy High School athletics has recently been established. Each gift to the endowment fund is invested and earns income in perpetuity for the operating budget of the athletic program.
