Félicitations Madame Campbell!

The Michigan World Language Association (MIWLA) presented the Barbara Ort-Smith Award to Joyce Smetanka Campbell. This is the most prestigious award a world languages professional can receive in the state of Michigan! It honors those who have shown a strong commitment to the profession, manifesting itself in leadership and the promotion of excellence in world language education.

Madame Campbell received her BA from Michigan State University in French Education and her MA from the University of Michigan in Curriculum Design and Instruction. She is Mercy's senior French language teacher and Chair of the World Languages Department. As chair, Joyce leads a vibrant team that offers French, Spanish, and Latin courses at all levels, including Advancement Placement. Joyce was formerly an adjunct professor at Mercy College in Detroit and an adult education instructor.

Joyce is known for her innovative programs - including courses on French theater, opera, art and architecture, poetry and literature - and is an advocate for technology in language education. She was instrumental in the installation of two language labs at Mercy. She launched *Passport to France: An Immersion Experience*, which proved to be successful in introducing middle school students to French as well as Mercy High School. She regularly conducts student field trips to special exhibits at the Detroit Institute of Arts and local French restaurants, and she

celebrates National French Week, focusing on a region of the Francophone world with guest speakers and cultural explorations of cuisine, art, cinema, music, and dance.

Joyce is especially recognized for the high academic standards she establishes and the leadership skills she develops among students, many of whom have pursued successful careers in government, law, business, and education using the French competence they achieved in her programs. Her efforts were recognized in 2009 when she was honored as Mercy High School's Teacher of the Year. Her contributions to the profession include her affiliations with the American Council of Teachers of Foreign Languages, the American Association of Teachers of French, the Oakland World Language Advisory Council, the French Institute Alliance Francaise of Michigan, and the Michigan World Language Association. Joyce has worked closely with the American Council on International Studies (ACIS) in Paris and the U.S. in coordinating trips for students and adults to all regions of France and other Francophone countries.

She truly believes that travel, living and studying abroad lead to a greater understanding of other cultures and a greater sense of our shared humanity. Madame Campbell is an inspiration to many and well deserving of this lifetime achievement award!

God Bless our Mercy Grandparents

We were honored to welcome over 200 Mercy Grandparents who celebrated Mass with us, received a special blessing from Fr. Jerry, and enjoyed school tours with their Granddaughters on September 10. This was a special, memorable morning for our Mercy families, and we hope to continue this new annual Grandparents Mass tradition.

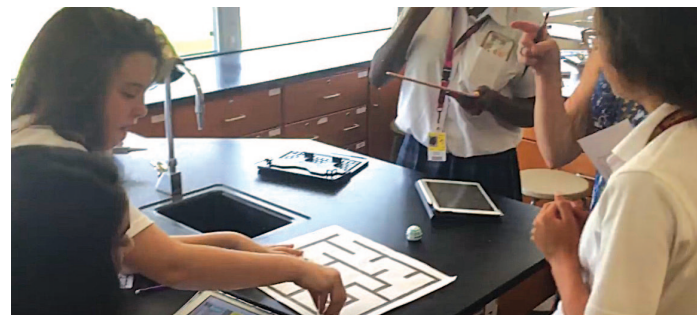

SENIOR SPACES

The Mercy parking lot is full of color thanks to the fun, personalized parking spots created by members of the Class of 2019 to raise money for their senior prom and graduation activities. Our new drone captured some cool footage of these awesome designs!

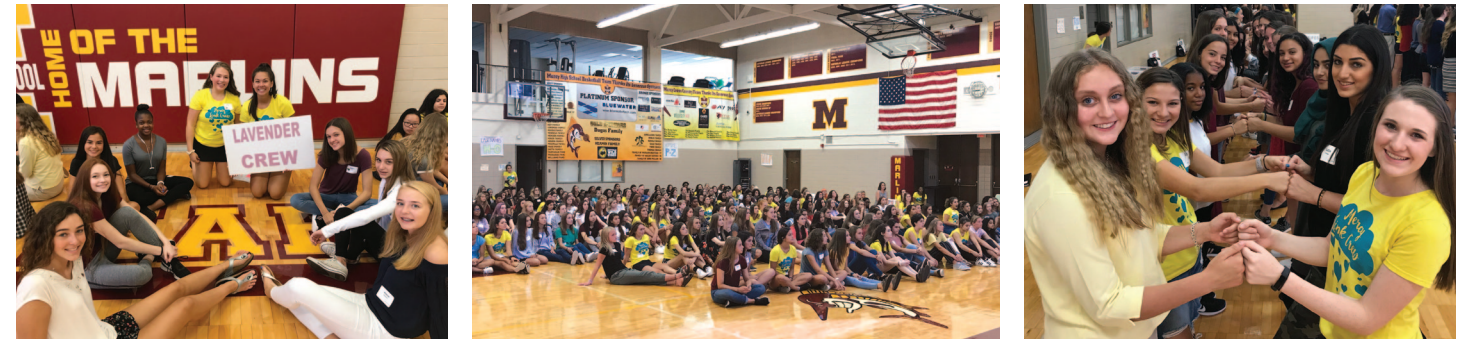

iExplore

New this school year! Freshwomen are coding, programming, and practicing science, technology and engineering concepts in the iExplore class. This course features small group challenges requiring collaboration, creative thinking, problem solving, and clear communication of results to create solutions to real-world problems.

Welcome to the Mercy Family

Welcome to the 175 members of the Class of 2022 and 25 transfer students who joined our Mercy family. Mercy Link Crew hosted an amazing orientation day for new students to get to know one another and see what it means to be a Mercy girl. The overall goal of Mercy Link Crew is to make 9th graders feel comfortable in their transition to high school. Junior and Senior Link Crew Leaders are mentors who teach their crew of Freshwomen about the Mercy sisterhood and help them build relationships throughout the school year.

LEGACY DINNER

The word *Legacy* has Latin origins and means bequest or inheritance. This year at Mercy, 119 students continue the tradition of 90 Legacy mothers and 14 Legacy grandmothers! The Alumnae Board hosted the annual Legacy Dinner on October 17th, in recognition of these cherished multi-generational bonds.

“I loved being there with my granddaughter Maeve Lopus ’20. It was a unique idea - daughters, mothers, grandmothers all from the same school. I have a feeling I was the oldest grandmother there, having graduated in 1949.” - Patricia Flannery Finn ’49

Healthcare Affinity Event

On October 25th nearly 100 women professionals gathered for the Mercy Healthcare Affinity Event. Featured presenters included: Cindy Elliott, RN, FACHE, *President & Chief Operating Officer for IHA*; Mary Durfee, MD, *Retired Chief Medical Officer for IHA and IHA Internal Medicine*; and Shannon Striebich, *President of St. Joseph Mercy Oakland (SJMO)*.

Sincere thanks to **Michelle Ilitch '02**, Regional Director ACO/CIN, Saint Joseph Mercy Health System, for hosting and moderating the event. The evening proved a fantastic opportunity for alumnae to learn and network. Proceeds from the event support the Mercy High School Annual Fund.

F.E.M.E.S. for STEM
(Females Excel in Math, Engineering, Science)

Virginia Minolli '82 recently hosted a roundtable dinner discussion with women who are passionate about STEM (Science, Technology, Engineering, Mathematics). Alumnae, parents and students from the Mercy Robotics team shared their experiences and insight.

The event kicked off the establishment of the Mercy High School F.E.M.E.S. for STEM Endowed Fund to provide monetary support beyond the budget for Mercy Science and Math departments. These funds will allow teachers to take field trips to expose students to STEM in the real world, purchase hi-tech equipment, and provide Mercy students with an enhanced learning experience.

“I am excited about working with Mercy alums to help improve Mercy’s role in fostering an interest in careers that will allow more women to become tomorrow’s science and technology leaders.” - Virginia Minolli '82

Mercy Scholarships Provide Lasting Legacy

Scholarships support the education of Mercy students while providing a legacy for sustainable tuition assistance and long-term viability of Mercy High School. Currently 34 endowed scholarships have been established at Mercy and provide a way for alumnae, parents and donors to have a connection with Mercy students.

Donors who establish endowed scholarships at \$25,000 or more, or make a long-term commitment to financial assistance, are invited to attend the annual Circle of Mercy Reception. Donors, student recipients, and the student's family gather for a meal and listen to a scholarship donor and student recipient who share their perspectives on the program. Scholarship donors are provided with a yearly note from the student, allowing them to keep in touch.

Recent endowed scholarships include:

Andrea Jackson Memorial Scholarship - Established in 2016 to honor the memory of Mercy alumna Andrea Jackson '96. Students who have an interest in the arts and possess an effervescent personality will be considered for this scholarship.

Maynard HOPE Scholarship - Established in 2016 by Mercy Alumna Nadine Frazier Maynard '63 and her son Christopher Maynard. Both want to thank God for all the blessings received in their lives and “to give back.” Both feel that HOPE is very much needed for a better future for all God’s people. And both believe that to invest in education, specifically the education of young women, is a way to achieve this hope in the future. So, in the tradition of Catherine McAuley and the Sisters of Mercy, this scholarship will help educate a deserving young woman who possesses a love of learning, who will lead and serve with mercy and compassion.

The Sarin and Shepanek Family Scholarship - Established in 2017 to honor Mercy graduates in the Sarin and Shepanek families including: Lisa Shepanek Berken '76, Suzanne Sarin Shepanek '79, Anne Giroux Sarin '82, Lisabeth Sarin '86, and Catie Sarin '08. The scholarship will provide financial aid to a young woman who exemplifies the Mercy values and demonstrates financial need.

Diana George Jacokes Endowed Fund - Established in 2017 to honor the memory of alumna Diana George Jacokes '67 by husband Paul Jacokes and the Jacokes children. Its purpose is to support the education of young women at Mercy High School. Diana would be pleased to know that the scholarship established in her name is helping a student who reflects the values that she cherished in her classmates while at Mercy High School: intelligence, kindness, good humor and generosity of spirit.

Carolyn and Robert Witte Endowed Scholarship - Established in 2018 to honor former Mercy Principal Carolyn Behringer Witte '67 and her husband Bob Witte. The scholarship will assist students whose families may need a modicum of financial assistance to make a Mercy education feasible.

Herbert and Dolores Delaney Memorial Scholarship - Established in 2018 to honor the memory of Herbert and Dolores Delaney, parents of Dr. Cheryl Delaney Kreger '66. The purpose of the fund is to support tuition for a student in financial need. Herbert and Dolores Delaney were products of 12 years of Catholic education, including Dolores receiving education from the Sisters of Mercy at St. Andrews School in Saginaw. They sacrificed so their three daughters could have the same opportunity to receive a Catholic education at Our Lady of Mercy High School.

Jackie Michon Scholarship (expendable) - Established in 2018 to honor the memory of Jackie Michon '02. Recipients of the Jackie Michon Scholarship have financial need and want to receive a Mercy education. Characteristics of the recipients should be hard-working, will take all that Mercy has to offer and have a friendly, all-inclusive positive attitude and outlook on life.

ENDOWED FUNDS

Endowed Funds can also support a Mercy department to allow for enhanced experiences for students by providing long-term support.

In the summer of 2016, the Nancy Malinowski Endowed Fund for Athletics was established, and the income on the investment of that fund will be used to support the extensive athletics programs available to Mercy students.

Similar funds may be created for a particular academic department or extracurricular program, such as the creation of a STEM endowed fund to support Math and Science Departments, which is currently underway.

An endowed fund may be established with a minimum gift of \$25,000 and funded in a variety of ways: a single gift; a series of gifts over several years; or a planned gift from the estate of the donor. Contact the Advancement Office at advancement@mhsmi.org or 248-893-3538.

Honoring Carol Bingham McNish '60 and the Late Bill McNish

Carol Bingham McNish '60 and the late Bill McNish were honored at the President’s Reception with the **President’s Award for Transformational Leadership** during the 2018 Reunion weekend. Carol was a member of Chorale, the Lore Staff, Speech Arts Club, Good Council Club and Student Council.

Bill McNish married Carol in 1963. Carol and Bill have four children and 13 grandchildren. They continued the Mercy legacy by enrolling their daughters Christine '82 and Suzanne '88 at Mercy. Their volunteerism while their daughters were at the school included chairing the Mercy Auction. Carol was integral in the creation of the Alumnae

Association Board and was named Distinguished Alumna in 1994. Bill was a member of the Mercy Dads Club raising enough money to build a new athletic complex with track, field, softball and soccer fields. Bill continued to be involved by serving on the Board of Trustees from 1989-1991.

Carol and Bill founded the McNish Family Foundation in 2003 to provide resources for need-based scholarships and grants for young people to be successful in high school and beyond. The McNish Family Foundation has supported Mercy students through tuition assistance and the Mary Jean Shannon Memorial Scholarship. Family member Mary Jean Nilan Shannon graduated in 1950. Carol, Bill and Mary Jean’s daughters Maura Shannon '76 and Megan Shannon Curoe '85 serve on the Foundation Board.

Groundbreaking of New Athletic Parking Lot

We are so grateful to Mercy donors who provided funds to support the creation of a parking lot and landscaped area at the athletic fields and tennis courts. Connie Demkowicz, Rita Dilworth Lewry '77 and Nancy Aufferberg joined members of Mercy Administration and Board of Trustees for a groundbreaking of the new Athletic Fields parking lot on October 2nd. Work is underway to provide parking for all of our Mercy fans.

Honor an Educator

As a graduate, you know firsthand the benefit of “careful instruction” by dedicated teachers. Can you recall a teacher or staff member who helped you find your voice? Encouraged you to use your talents? We invite you to recognize him or her with a Tribute Gift. Visit mhsmi.org/donate to make a gift to benefit the Annual Fund and write a note to a current or former Mercy educator. During Catholic Schools Week, we will share all the notes with the teacher you have honored.

Did you know there is a \$2,000 gap between the actual cost of tuition and the total cost of educating a Mercy student? Help us *ZAP THE GAP* by making a gift to the Annual Fund today! Visit mhsmi.org/donate.

HONOR ROLL OF DONORS

Thank you for supporting our mission of educating women who make a difference.

Here are the names of all donors to Mercy's Annual Giving Program from **July 1, 2017 through June 30, 2018**. This list includes contributors to the Annual Fund including gifts restricted to endowment and tuition assistance as well as other areas of donor interest.

Please take a moment to prayerfully consider the various ways to support Mercy through a planned gift.
Your financial advisor may be able to assist you with the best planned gift for your financial position.

IRA CHARITABLE ROLL OVER

IRA owners who are 70½ or older can give IRA assets directly to Mercy High School. The IRA owner can donate a total of up to \$100,000 of IRA assets per year to one or more charities and still take the standard deduction. Such donations can count toward the owner's required minimum withdrawal which can be highly tax efficient.

WILLIAM AND CATHERINE CALLAGHAN LEGACY SOCIETY

Alumnae, parents and friends who remember Mercy High School in their wills and estate plans are welcomed into the William and Catherine Callaghan Legacy Society. Catherine McAuley, founder of the Sisters of Mercy, was orphaned in 1798 and later invited to live in the home of family friends, William and Catherine Callaghan, as a companion to Mrs. Callaghan until Mrs. Callaghan's passing in 1819. Upon his death in 1822, Mr. Callaghan bequeathed his entire estate to Catherine. This sizable inheritance allowed Catherine the means necessary to purchase the "House on Baggot Street" that eventually led to the founding of the Sisters of Mercy. We acknowledge our Callaghan

Legacy Society members through an invitation to our Annual President's Reception. We will also make note of our members' generosity in publications such as our MOSAIC magazine and Annual Report. Of course, donors have the option of remaining anonymous if desired.

BEQUEST

Giving through a bequest allows you to maintain your assets throughout your life and support Mercy High School in the future. If you would like to support the education of young women at Mercy High School after your lifetime through a bequest, please ask your estate planning attorney to add this suggested wording to your will or living trust: "I give to Mercy High School, Farmington Hills, Michigan, the sum of \$_____ or _____ percent, residue and remainder of my estate for its general purposes." Your bequest may be restricted to a specific purpose, or perhaps you wish to memorialize a family member by establishing a fund to provide tuition assistance or support for a particular Mercy program. Please discuss your desires with us so that we can assist you in drafting sample endowment language and naming opportunities.

Contact the Advancement Office at 248-893-3538 or advancement@mhsmi.org with any questions.
