Testing

Self Reporting Test Scores

- ★ Many colleges allow Self-reporting of scores
- ★ If applying test-optional to any school, do not include scores on the Common Application

Sending Test Scores

Mercy High School does not send test scores

- ★ Students should always send their highest composite for schools that require tests
- ★ Additional scores can be sent in consultation with the counselor or an admissions representative
- ★ Counselors are available to consult about test optional schools

- ★ Take a look at the helpful talking points guide

Questions?

"Will I ever run out of questions?"

Fall in Love

Often attributed to **Fr. Pedro Arrupe, SJ**
(1907–1991), but by Joseph Whelan, SJ

Nothing is more practical than

finding God, than

falling in Love

in a quite absolute, final way.

What you are in love with,

what seizes your imagination, will affect
everything.

It will decide

what will get you out of bed in the
morning,

what you do with your evenings,

how you spend your weekends,

what you read, whom you know,

what breaks your heart,

and what amazes you with joy and
gratitude.

Fall in Love, stay in love,

and it will decide everything.

Fall in Fear

From: On Fire: The 7 Choices to Ignite a Radically Inspired Life

Book by John O'Leary

Nothing is more practical than

finding God, than

falling in Fear

in a quite absolute, final way.

What you are in fear with,

what seizes your imagination, will affect everything.

It will decide

what will get you out of bed in the morning,

what you do with your evenings,

how you spend your weekends,

what you read, whom you know,

what breaks your heart,

and what amazes you with joy and gratitude.

Fall in fear, stay in fear,

and it will decide everything.

As you approach college conversations with your student, do them from a place of love - it will make a huge difference.
