I know it's overstated but PLEASE for your own good don't procrastinate!  
Elise Lowry

Real friends will support you. Real friends will never gossip, be fake, or show disloyalty to you!  
Isabellah Scott

Do everything your senior year! All the spirit days, senior speciality days etc!  
Carson Kecskes

Turn off your phone, study for your tests, use socratic, and appreciate your friendships.  
Anika Lopes

Make the most out of your time here!

Even if you know you won't be able to get a good grade in the class, still try to learn what the teacher is teaching. Knowledge is power!  
Ellery Long

Quality friendships > Quantity friendship find the people who accept you with open arms and stay with them. They are true friends!

Make mistakes, learn from them, and love yourself always. In 4 years, your high school grades won't matter. Have fun!  
Bridie Hart

Don't be afraid to try new things just because you might fail.  
Sage Johnson

Do not eat pasta bar before a big test.  
Daria Smith

Do as many clubs as you can and make the most of your time at MHSMI!  
Gianna Fracassa

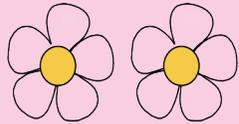

Be friends with your teachers. Be a leader. The title "friend group" means nothing, don't let it hold you back from being friends with others.  
Emma Lumaj

Don't rush your high school life. Live in the moment, and good things will come always!! :)  
Elina Goryoka

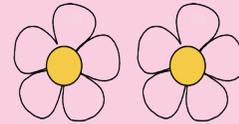

Go on kairos!!!!  
Sara Flynn

Don't dig yourself a hole with grades, it comes back to bite you. Also being in uniform is way better than a detention.
