

## Tri-M Music Honor Society presents: Christmas Poinsettia Sale

It is legend that a poor girl named Maria desired to offer a gift to Christ in her church on Christmas Eve. Maria, with no means to purchase an item, could only present a handful of weeds she gathered from the side of the road. Maria was embarrassed to offer such a poor gift, but a voice from above explained the baby Jesus would love any gift if it came from the heart, since love is what makes a gift special. When Maria stepped up to the altar to offer her gift to Christ, the meager weeds miraculously transformed into beautiful, vibrant poinsettias.
