

What can you offer your teenager to help them make it in today's world?

Dale Carnegie Course for Teens!

Today, the world is more complex, competitive, and demanding than ever before. Young people often need to balance school, work, and relationships while at the same time, planning for their future. The result can be increased pressure and stress. Unfortunately, many teens have not developed strong “life skills” to help them gain an advantage in today’s competitive world.

The **Dale Carnegie Course® for Teenagers** is designed to prepare individuals for the *real* world. It helps them develop the skills they need to reach their goals and live up to their potential. Help your teen become the person they dream of becoming! Through the **Dale Carnegie® Course**, students will be able to:

- ♦ **Increase self-confidence**
- ♦ **Overcome fear and shyness**
- ♦ **Maintain a positive and optimistic attitude**
- ♦ **Be focused in times of challenge**
- ♦ **Make better decisions**
- ♦ **Manage stress and worry**
