- Yes
- No
- Experience problems when multiple users are accessing

77.6%

22.4%

What E-LEARNING Challenges Do You Face/Suggestions for Improvement?

- Stability of Schoology

- Difficulty taking class notes while participating in Zoom sessions

- Evaluate balance of Zoom lectures to reduce daily screen time

- Ensure consistent tools and policy for posting assignments and class activities, and setting homework due dates

- Monitor the homework load and relevance of work assigned

- Ensure consistent access to PowerSchool

Thank you for providing valuable feedback through our Student E-LEARNING Survey.

Your ratings and open comments will help us further enhance our online learning experience for both students and teachers.

Stay safe, be well.
